

204 IMMUNIZATION

Each student enrolling in Oasis Academy must present certification that the student has been immunized according to the provisions of NRS 392.435.

Parents must have written documentation from a physician or health clinic indicating the dates of each immunization and boosters received. All immunizations must be up to date.

A conditional enrollment is accepted for a period of up to 30 days if immunization records are not available at the time of enrollment.

Students whose parents show appropriate written evidence that their child should not be immunized because of religious beliefs or medical condition will be excused from this requirement.
