

210 LEGAL GUARDIANSHIP

Each student enrolled in Oasis Academy shall record his or her legal guardian or custodian at the time of registration. It is the responsibility of the legal guardian to notify the school and to produce the legal document noting any change in the guardianship or custody.

The parent or guardian in custody must provide legal documentation to the school of any limitations in the rights of a non-custodial parent. Without such notice, a child may be released into the care of either parent.
