

251 STUDENT STANDING

In order to be in good standing and maintain satisfactory academic progress, students are responsible for being aware of and in compliance with all Oasis Academy requirements, including but not limited to those related to enrollment and registration, conduct, grades, attendance, fines, fees, reimbursements, and time limits.

A violation of school rules and/or student policies may also affect a student's standing and can result in the student being ineligible for consideration under policies that require that the student be in good standing.
