

256 DRESS

Oasis Academy's Board of Directors believes a safe and disciplined learning environment is a requirement of a high performing school. The implementation of school uniforms will help minimize disruptive behavior, promote respect for oneself and others, build a spirit of school community, and, more significantly, help maintain high academic standards by allowing students to concentrate on learning rather than on what they are wearing. The Board also feels that wearing of uniforms by students will help lessen the impact of socioeconomic differences. In addition, it allows for the identification of visitors and potential intruders on campus.
