

264 REMOVAL FROM A SPECIFIC CLASS

As part of the school's progressive discipline plan, and as required under NRS 392.4645, if in the judgment of the teacher, the pupil has engaged in behavior that seriously interferes with the ability of the teacher to teach the other pupils in the classroom and with the ability of the other pupils to learn, the teacher may remove the pupil from the classroom, or have the pupil removed.

Upon the removal of a pupil from the classroom the administrator of the school shall provide an explanation of the reason for the removal of the pupil to the pupil and offer the pupil an opportunity to respond to the explanation. Within 24 hours after the removal of a pupil the administrator shall notify the parent or legal guardian of the removal.

If the administrator finds that the pupil should be suspended or expelled the student may receive said punishment, following the procedures in the sections of this manual titled 262 SUSPENSIONS and 266 EXPULSION AND LONG TERM SUSPENSION.

If the pupil is not suspended, the pupil must be assigned to a temporary alternative placement in which the pupil:

1. Is separated, to the extent practicable, from pupils who are not assigned to a temporary alternative placement;
2. Studies under the supervision of appropriate school personnel; and
3. Is prohibited from engaging in any extracurricular activity sponsored by the school.
