

## **286 FINES/PAYMENTS/REIMBURSEMENTS**

Oasis Academy College Preparatory High School (Oasis Academy) is a public charter school; therefore, it is free. Oasis Academy has established the following reimbursement policy for the purchase and/or rental of textbooks and tuition reimbursement for students who are not in good standing with the school.

### Textbooks

Oasis Academy will provide each student with the appropriate college textbooks each semester. Books are due the last day of the semester. Returned books must be in good used condition or the student will be responsible for the replacement cost of the book. Students wishing to purchase their textbooks must make payment in full to Oasis Academy within ten (10) days of the end of each semester. Students who fail to return textbooks or pay for their textbooks will be unable to register for the next semester's classes until they are returned or paid for in full. A fine of \$25.00 will be assigned to all late returns and late payments. The full cost of the book will be owed if not returned within one (1) month of the end of the semester.

### Supplies

Oasis Academy may provide each student with non perishable supplies such as chromebooks, scientific calculators, etc. Non perishable supplies must be returned to the school in good working condition on the last day of the semester. Students who fail to return supplies or return them in poor condition will be unable to register for the next semester's classes until they are returned or paid for in full. A fine of \$25.00 will be assigned to all late returns and late payments. The full cost of the supplies will be owed if not returned within one (1) month of the end of the semester.

### Tuition Reimbursement

Oasis Academy is dedicated to the academic success of each student and provides students with multiple resources to succeed. Therefore, Oasis Academy reserves the right to hold tuition payments for students who are not in good standing with the school.

If a student fails to remain in good standing (see Student Standing Policy 251) with the school due to poor academic performance by receiving a failing grade or withdraws from a class without written permission, Oasis Academy will require tuition reimbursement for the failed or withdrawn class prior to paying the student's tuition for the upcoming semester. Reimbursement must be made ten (10) days prior to the beginning of the new semester.
