### *Major Projects*

#### Thrifty Finds

Thrifty Finds is our Thrift Store, managed by Starla Green. It is located in the same building as the school, behind Louie's Dollar Plus. Our goal with Thrifty Finds is to use the profits from the store to benefit any youth organization in Churchill County who wants to be involved. We are always looking for donations and volunteers. Stop by and see us! We are open 7 days a week from 9 to 5!

## SCRIP

FOA has partnered with Great Lakes Scrip Center as part of an on-going fundraiser for Oasis Academy. This is a huge moneymaker for us and easy to use! It doesn't cost you any extra money because you simply buy gift cards at their face value and we get a kickback from the company. You can order the cards online or pick one up at Thrifty Finds.

To sign your family up go to [Shop with Scrip](#) and select the green sign up button. FOA's enrollment code is: **4F6586ED28555**

FOA's Scrip Coordinator is: Susan Richards, 775-427-6686, [FOAScrip@gmail.com](mailto:FOAScrip@gmail.com) She is always happy to help!

## No Fuss Fundraiser

Every year we hold a "No Fuss Fundraiser!" What does that mean? It means we value our parents times and we don't want to ask them to sell cookie dough, candles, wrapping paper, or anything else for that matter. Instead, we ask every parent to give generously once a year to help the school with a major project. In the past we have purchased all the furniture for the school and the Interactive White Boards!

## Pizza for Playgrounds

Every Thursday the students can buy pizza at school. All the proceeds go to updating and improving our playground.

## Smaller but Equally Important Activities

FOA is busy throughout the year organizing: Logo Gear, book fairs, field day, appreciation days, yearbook, the list goes on and on!
