

ACCUPLACER Prep Materials

To use the study the APP (recommended)

1. Go to www.accuplacer.collegeboard.org
2. Click on “Accuplacer Study APP”
3. Create an account, then log in on the left hand side.
4. Click on “Next Generation Practice Tests” and “Save”
5. Choose the subject matter you would like to study

*The “**learn as you go**” option lets you answer practice questions and then gives you immediate feedback of the correct answer. **I recommend using this option first.**

*The “**sample test**” option is just the sample questions and does not give feedback.

To view other sample material as a PDF:

1. Go to: www.accuplacer.collegeboard.org
2. Click on the yellow “practice” button
3. Click on the subject matter you would like to practice.
